Coverdell ESA Account Application

Important Information about procedures for opening a new account: To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver’s license or other identifying documents. For certain entities, such as trusts, estates, corporations, partnerships, or other organizations, identifying documentation is also required. Your account may be restricted and/or closed if we cannot verify your information. We will not be responsible for any losses or damages resulting from any failure to provide this information, or from any restriction placed upon, or closing of, your account.

Signature Guarantee (if required):

If you are adding bank information to your account and there is no common ownership between the XXXXXXXXXXXX account registration and the bank registration, a registered bank account owner must have his/her signature guaranteed by an eligible guarantor institution. An eligible guarantor is a domestic bank or trust company, securities broker/dealer, clearing agency or savings association that participates in a medallion program recognized by the Securities Transfer Agents Association. The three recognized medallion programs are the Securities Transfer Agents Medallion Program (known as STAMP), Stock Exchanges Medallion Program (SEMP), and the Medallion Signature Program (MSP). A notarization from a notary public is NOT an acceptable substitute for a signature guarantee.

The SVP Stamp is intended to provide a signature guarantee for those transactions considered non-financial in nature. The SVP Stamp on a document assures the signature on the document is genuine, the signer was known by or satisfactorily identified by the guarantor and the signer had the authority to sign the document. In the event the bank or financial institution does not offer the SVP Stamp, a Medallion Guarantee Stamp will be accepted.

The SVP Stamp and the Medallion Guarantee Stamp may be obtained from an eligible guarantor of the Medallion Guarantee Program, which includes commercial banks, trust companies, savings associations and credit unions, as defined by the Federal Deposit Insurance Act. Also included are member firms of a domestic stock exchange. Non bar-coded guarantees or stamps from a Notary Public are not acceptable. All bar-coded guarantees must be legible. For those signing in a capacity other than the account owner, a capacity must be indicated beside or beneath the signature. Prior to signing, contact the guarantor to determine what documentation needs to be provided.
